

# securing tomorrow's resources

## Scientist (f/m/d)

Institute for Strategies and Technology Assessment - based in Kleinmachnow

Application deadline: 10<sup>th</sup> May 2024 for reference number: KM-SF-WA-09-24

## The project

The EU project "AGROWISE" will contribute to achieving the EU targets for reducing the use and risk of pesticides. In particular, the project will co-design a guidance framework that enables the harmonised development of crop-specific rules across the EU and develop approaches to assess IPM tailored support schemes.

## Your responsibilities

- Design and organisation of cross-project data management;
- Contribute to the development of harmonised criteria and metrics for the evaluation of IPM strategies;
- Contribute to the development of methods to evaluate the efficiency in reducing pesticide use;
- Organising project meetings, technical discussions, and workshops;
- Present results and prepare reports and scientific publications in English.

## Your profile

- An university degree in agriculture, horticulture or a related discipline;
- Substantial knowledge of integrated pest management or crop production;
- Experience in handling and organizing large amounts and formats of data from a wide variety of sources;
- Proven track record of collaboration with European project partners and strong interest in international project cooperation;
- High motivation, strong organizational skills, proactivity, flexibility, ability to work under pressure and in a team work environment are required;
- Good communication skills in German and English, both written and oral proficiency;
- Possession of a driving licence category B (III), willing to drive a company car and prepared to travel for several days on business trips.

## We offer

- a challenging and fascinating role that promises a diverse and engaging experience in an international working environment;
- a temporary part-time position limited to 31<sup>st</sup> October 2025 with 29,25 hours a week on a third party funded project subject to the availability of budget funds and final project approval. The employment contract will be based on the collective agreement for the public sector east (TVÖD-Ost).
- remuneration according to salary group E 13 TVÖD.
- starting date: as early as possible.

Our JKI site in Kleinmachnow is easy to reach from Berlin and Potsdam and has excellent public transport connections (bus stop: Julius Kühn-Institut, 8 min from Berlin-Wannsee S-Bahn station).

The JKI subsidizes the Deutschlandticket for its staff, who can purchase it at a reduced subscription price of €23.28

The Julius Kühn Institute (JKI) is an equal opportunities employer. The JKI is committed to inclusion. Applications from people with disabilities are therefore expressly welcome and given special consideration in the selection process. The JKI promotes the reconciliation of work and family life and, since 2021, has been holding the **audit workandfamily** certificate ([audit berufundfamilie](#)). Where possible, we offer flexible working time models to reconcile work and family life. More information can be found [here](#).

The Julius Kühn Institute is an institution directly subordinated to the Federal Ministry of Food and Agriculture (BMEL).  
Address: Julius Kühn-Institut (JKI), Federal Research Centre for Cultivated Plants, Central Department, Erwin-Baur-Straße 27, 06484 Quedlinburg, Germany. Information on data protection can be found here: <https://www.julius-kuehn.de/en/data-protection-information-for-applicants>.
